

Welcome Eagles!

Dear Suncoast Christian Academy Families,

I hope you are enjoying a wonderful summer. I also hope you are refreshed, relaxed, and recharged as we prepare for the start of a wonderful new school year. I am so delighted to join the Suncoast Christian Academy Family as your new Principal. I can assure you that the foundation that has been laid will continue to be built upon to help our children obtain success academically and spiritually.

I would like to take this opportunity to introduce myself and share my educational background with you. I earned my bachelor's degree from Florida State University (Go Noles!!) in Exceptional Student Education and my master's degree in Curriculum and Instruction. After spending time in the classroom working with students on the autism spectrum, I decided to further my education and attend Lynn University, earning my doctorate degree in Educational Leadership K-12. Education is truly my passion. I am devoted to ensuring that all students receive a high-quality Christian education.

Along with the teachers and staff, I will work hard to continue the legacy of success established by Suncoast Christian Academy by building strong relationships with parents, students and community partners. I welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you and your children. You are a part of our amazing learning community.

As we prepare for another incredible and productive school year, I am pleased to announce our skilled and devoted staff is already planning and preparing for your child(ren). Our enthusiastic office team is registering new families, ordering needed materials and updating student files. We are indeed a joyous and caring community with the common goals of nurturing responsible, caring students and promoting high-level learning.

It is an honor and privilege to serve as your principal. I eagerly look forward to greeting students and families in the Fall. Together, I know we will make this school year one of spiritual growth and academic excellence for all children. I look forward to "Soaring to New Heights", Go Eagles!!

In Love,
Jaqua' Hunte, Ed.D.
Principal
Suncoast Christian Academy
